sPro™ UNIVERSAL

IBU-33408

VENT KIT

Keep any Smartphone or iPod in a secure and easy to view position with the sPro Universal. Benefit from optimized GPS and cell phone signal with placement inside the windshield. Use with any Bluetooth hands-free solution for a complete hands-free driving experience.

Insertion and removal is easy with the spring loaded design. Works with most cases too, including Otterbox© or Ballistic© style. The sPro Universal holds the device close to the four corners to avoid interference with volume button, audio jack and charging port etc. An easy to use Air Vent Mount is included.
